

2024 NAHREP Chapter Application & Questionnaire

Thank you for your interest in bringing NAHREP to your community. NAHREP organizers hold the unique role in establishing a local NAHREP presence, identifying market trends and needs, establishing funding for the council, grassroots marketing, and also functioning as an event mastermind committee. To begin the process, please complete the following application and return via email to newchapters@nahrep.org. Please include copies of each organizer's resume and headshot along with the completed application.

Please note: Completing the application does not guarantee approval to establish a chapter; all applications are reviewed by a NAHREP National Committee. You should anticipate a 60-day review period by which you will receive an initial response regarding your interest. Submission should include a minimum of **15 organizers**.

All local market presence begins as organizers. This provides the association the opportunity to work at the local level and understand the needs of the market. If market conditions are right after the initial 90-day period, the organizers may begin the process of transitioning into the Chapter Development Process.
