FOREWORD

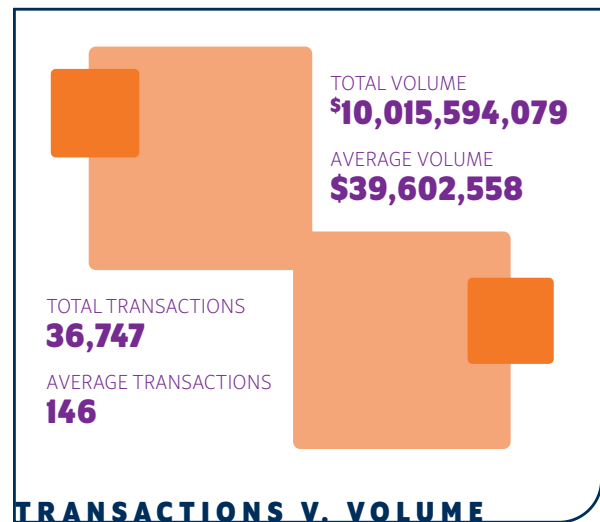

The Top 250 Latino Mortgage Originators Award is an annual report by the National Association of Hispanic Real Estate Professionals® (NAHREP®) that recognizes the leading Latino mortgage originators in the U.S. as ranked by the number of mortgages they closed the previous calendar year. NAHREP is proud to recognize these top performing individuals for their contributions toward the association's mission of sustainable Hispanic homeownership.

The Top 250 Mortgage Originators Award was conceived in 2014 after the continued success of the Top 250 Latino Agents Award created a demand for recognition of success in other parts of the industry. This year, mortgage originators from across the country earned distinction as a Top 250 Latino Mortgage Originator from among over 600 mortgage originators nominated for the sixth annual award. The group of top producers represents a total of 36,747 closed mortgages and \$10 billion in mortgage sales. New American Funding topped this year's report with the most individuals recognized on the list, followed by loanDepot and Wells Fargo Home Mortgage. The report includes lists recognizing the Top 100 from among the non-depository lenders nominated for the award and the Top 100 by volume. The success of the Top 250 Latino Mortgage Originators is a demonstration of the growing influence Latinos demonstrate in the industry both as a profession as well as in the volume of home buyers driving the housing economy.

Felicitades to the Top 250 and their continued success! Join the conversation on social media and recognize their achievements as well as their Top 250 Latino Agent counterparts. Share comments using #Top250 on social media.

METHODOLOGY

The listing of the Top 250 Latino Mortgage Originators in America is compiled through a self-nomination process reflective of transactions closed during the 2019 calendar year. Once received, NAHREP reviews the nomination for accuracy and when necessary seeks validation of data submitted from the respective candidate's company. This list represents both individual and team transactions. To be eligible, nominees are required to submit their number of closed mortgages to be ranked against other nominees. Nominations may be disqualified or modified where third party validation is not available or consistent. In instances where there is a tie based on number of mortgages closed, higher rank is given to originators with greater sales volume. Ethnic background is confirmed through self-attestation.

Zack decided to become a mortgage originator because he loves helping people purchase their first home, build their dream home or re-position debt for financial security. "WENDY WAS BORN IN LOS MOCHIS, SINALOA, Mexico and came to the United States when she was 11 years old. Her banking career started 19 years ago as a teller. Having the experience in different roles within the banking industry, she can say that mortgage lending by far is the most rewarding. As a CRA mortgage loan originator helping families achieve homeownership is a great honor to meet the needs of all people in her community, English and Spanish speakers alike."

"MOISES WAS BORN IN MICHOACÁN, Mexico and raised in Los Angeles, California. He thoroughly enjoys what he does. Helping families purchase their first home and witness their family tree change forever is what keeps him going. The majority of his clients are Hispanic and many of them do not believe that they can become homeowners. With Moises' guidance and expertise he walks them through the whole process from application to closing. In 2019, he originated 23 LMI purchase loans for first time homebuyers."
